

To Whom it may concern,

Recently Preston WARE handled my refinancing of my home and he made it happen.

His helpfulness and making ME feel easy about everything was a big help.

He would make it as easy as possible for me to get the required paperwork signed and turned in.

I would recommend Preston to anybody looking for a mortgage Consultant.

Please feel free to call me if you have any questions

You can contact me at

Sincerely,

Timothy S. Obryan
