

TO WHOM IT MAY CONCERN:

I have known Preston Ware for over seven years and Preston has handled my last two home mortgages. Additionally, due to the positive experience I had in my dealings with Preston I have referred several of my friends and business associates to Preston for mortgage services. Having over twenty five years of financial business experience I have seen the gambit of customer service and professional knowledge. Preston has exceeded my expectations in both areas of his commitment to customer service and on his knowledge of the industry.

I would highly recommend Preston for your next mortgage as I certainly plan to use him again in the future should I have mortgage needs.

If you need more information or would like to discuss I would be more than happy to assist you. I would be happy for Preston to provide you my contact information.

Sincerely,

Tony Vetrano
